Sisters Fellowship

There was a sisters fellowship on 7 March led by the preacher's wife. The fellowship focused on a sister's responsibilities and needs in the home, at work and at church, through mutual discussion and sharing. We also discussed how to look after ourselves physically, spiritually and mentally.

Through the fellowship, the sisters could understand each other and share their experiences, struggles and needs in their faith. The sisters treasured this opportunity to encourage and support one another in the Lord. We came to realise that the purpose of the sisters fellowship was not only to improve our mutual relationship, but to also help us establish our faith and become more united, so that together, we can learn to trust in God to face challenges in life

Thank God for giving us this opportunity to worship, so that the sisters could draw closer to God and care for one another; to grow together.

Visitors from Taiwan

On 14 May, six brethren from Taiwan visited Birmingham. Thank God for His guidance that they could safely join us, so that the brethren had an opportunity to welcome and share. Through this fellowship, we could experience the warmth of one family in the Lord and encourage and edify one another.

海報，傳單的派發

在靈恩會舉行之之前，教會也安排了三至四次傳單派發工作，弟兄姊妹分別在每禮拜天，前往市中心或中文學校，派發佈道會和靈恩會的海報與傳單。藉着這樣的福音宣傳，盼望能夠讓更多人知道教會的信息，可以有機會接觸、認識神，感謝神帶領弟兄姊妹同心參與這項工作，讓這些傳單能夠成為福音的種子，撒在人心裡，帶領更多人來到神面前。

Distributing posters and leaflets

Before Birmingham's Convocation, the church organised three to four leafleting sessions. On Sundays, Brothers and sisters travelled to the city centre and to the Chinese school to distribute leaflets and posters for the Convocation.

Through this work of Evangelism, we hoped that more people could hear about the church, and have the opportunity to know God. Thank God for guiding the brethren to have the heart to take part in this work, so that the leaflets could be a kind of seed of the Gospel, scattered into the hearts of people, with the hope of bringing them before God.

靈恩會

5月22日至24日，舉行了靈恩會。藉着這幾天的聚會，弟兄姊妹一同來到神面前，專心聽道、禱告，追求聖靈的充滿，並在神的話語中得到提醒與造就。在這次靈恩會期間，也有一位小寶寶接受洗禮，歸入主的名下，成為神家中的一成員。

，這是一個充滿恩典和喜樂的時刻。

感谢神藉着靈恩會更新我們的信心，使我們更加渴慕親近祂，也學習在生活和信仰中更加依靠聖靈的帶領。

Spiritual Convocation

Birmingham held a spiritual convocation on 22 to 24 May. Through the three days of services, brothers and sisters were able to come before God together, to focus on hearing God's words, prayer, and seeking the infilling of the Holy Spirit. The church received wonderful reminders and was greatly edified by God's words.

During this convocation, a baby was baptised into the name of Jesus, to become a member of the household of God. This was a very blessed and joyful occasion.

Thank God that the faith of the members was renewed through this convocation, giving us the heart to thirst to draw closer to Him, and to learn to rely on the Holy Spirit's guidance in our life and in our faith.
